

FEDERAL RESERVE BANK *of* CLEVELAND

OFFICE OF THE CORPORATE SECRETARY

Election Procedures

To Member Banks of the Fourth Federal Reserve District:

In accordance with the provisions of Section 4 of the Federal Reserve Act, as amended, and my memo dated **April 10, 2023**, regarding the election of one Class B, Group 3 director of the Federal Reserve Bank of Cleveland, the names of the candidates nominated and the banks that made the nominations are listed on this website.

Member banks in Group 3 are electing a Class B director to complete the vacant, unexpired term expiring December 31, 2023. A Class B, Group 3 director position vacancy resulted when the previous incumbent was appointed as a Board of Governor-appointed Class C director, effective January 1, 2023. One candidate has been nominated for this position.

A member bank's voting group is determined by its capitalization. A list of member banks in each classification can be found in Appendix A.

All eligible voting banks have access to vote on this election website. In order that the balloting may be kept secret, the name of the bank and the title of the voting officer **will not** be associated with his or her vote.

For contested elections, Section 4 of the Federal Reserve Act provides for preferential voting for election of directors. Where no more than two candidates have been nominated, a member bank will be deemed to have indicated the remaining candidate, if any, as a second choice. Where there are more than two candidates, the officer casting a member bank's vote must indicate a first, second, or third choice for each candidate on the ballot. Only one choice may be indicated for each candidate.

By law, the votes must be cast within the period the online polls are open. The online polls will open **Monday, May 15, 2023**, and will close at **5:00 pm on Monday, May 29, 2023**. Thereafter, the online votes will be tallied, and the results of the election will be announced.

Group 1 banks, each with combined capital and surplus of \$500 million or more, and Group 2 banks, each with combined capital and surplus of \$30 million or more but less than \$500 million, are included in this notice but are not eligible to vote during this election. **While the banks in Group 1 and Group 2 will not vote in this election, access has been provided to this election website for their information.**

Sincerely,

Doris Carson Williams
Chair of the Board
May 15, 2023

*Section 4 of the Federal Reserve Act requires that the ballots be tallied in a specific manner for which we are providing a summarized interpretation and explanation: Any candidate receiving a majority of all first-choice votes cast shall be declared elected. If no candidate shall have a majority of the first-choice votes, then the first-choice votes shall be added to the total of the second-choice votes cast for each candidate. The candidate then having a majority of the votes and the highest combined total shall be declared elected. If, however, no candidate then has a majority of the highest

combined total of votes cast, then the votes cast for third choice shall be added to the first- and second-choice votes, and the candidate then having the highest number of votes shall be declared elected.
