Note: Reserve Bank directors are elected or appointed to three-year, staggered terms (see <https://www.federalreserve.gov/aboutthefed/directors/about.htm> for more information). This report includes directors who were appointed or elected in 2022 to terms that began on January 1, 2023, as well as directors who are currently serving in existing terms. Currently, there is one Class B vacancy on the Cleveland Reserve Bank board and all directors opted to self-identify their gender and race/ethnicity.
