

Cleveland Fed's Conversations on Central Banking: Inflation & Wages

Aaron Sojourner

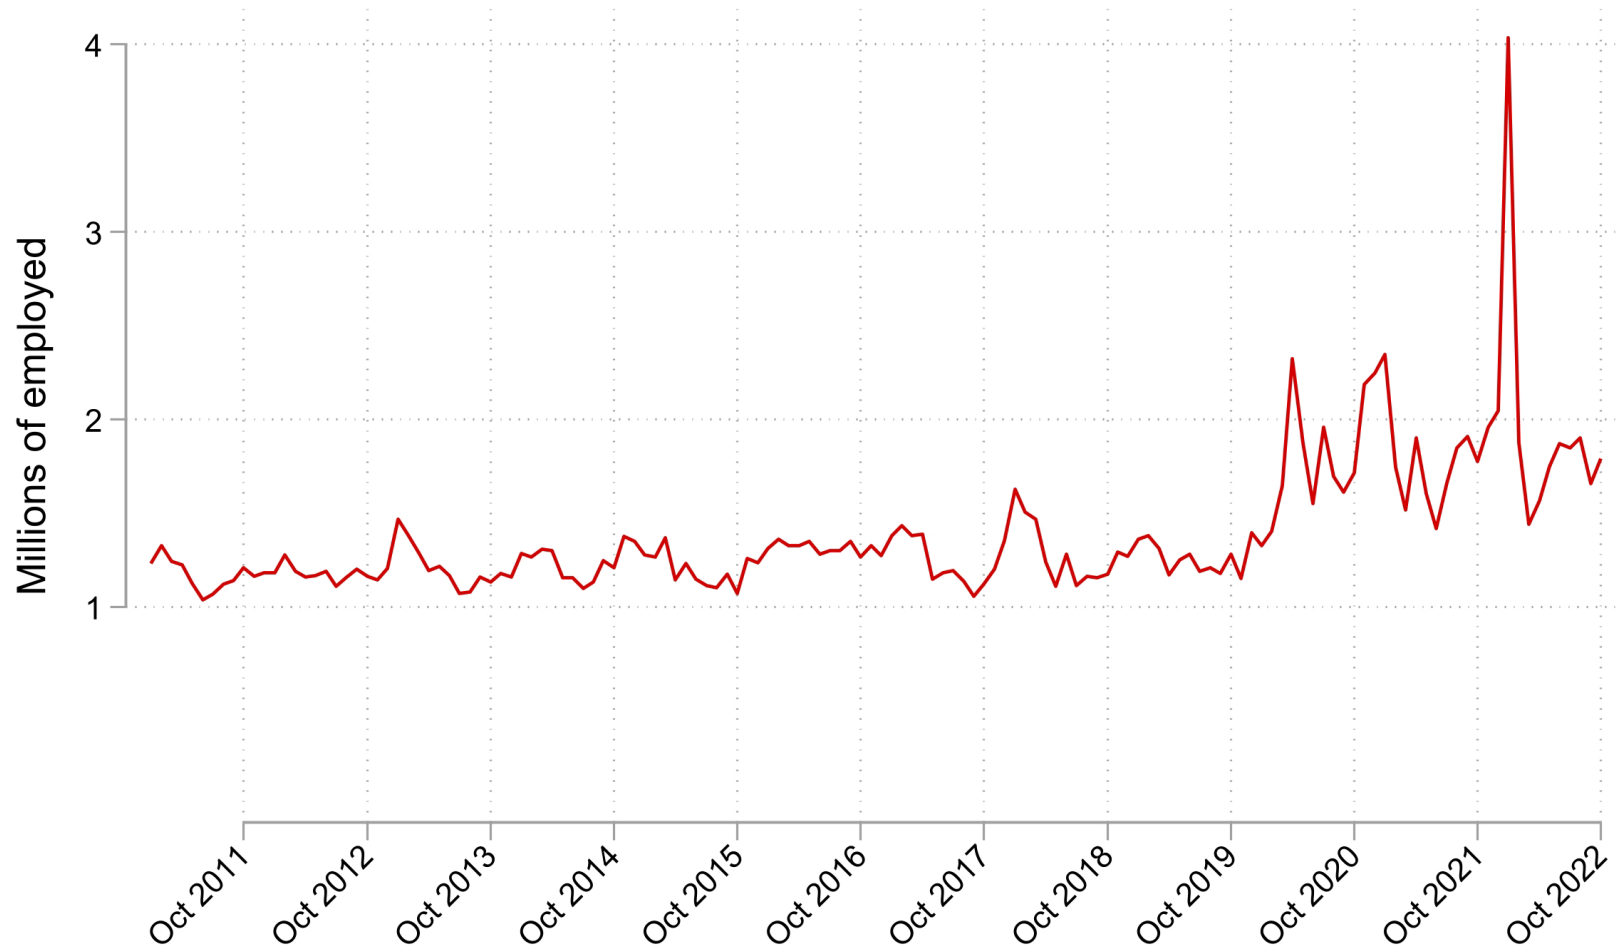

W. E. Upjohn Institute for Employment Research

Nov. 22, 2022

Growth rates: unit profits > CPI > labor comp

Trend in number of employees missing an entire week of work mainly due to own illness, injury or medical problem, child care problems, or other personal or family obligations

BLS Current Population Survey. Calcs & graph: @aaronsojourner.
