Francisco Lopez
SVP of Innovation Programs
Opportunity Finance Network

Francisco Lopez serves as SVP of Innovation Programs at Opportunity Finance Network (OFN), where he leads the organization's flagship CDFI Innovation Initiative to accelerate digital transformation, product innovation, and data driven solutions across the CDFI industry. With more than two decades of experience spanning financial services, fintech, strategy, and social impact, Francisco has held senior leadership roles, guiding organizations through operational restructuring, capitalization planning, and technology integration. At OFN, he oversees the launch and management of the CDFI Innovation Center and drives cross industry partnerships to expand access to capital and modernize CDFI operations. Francisco's work bridges finance and innovation to catalyze inclusive economic growth for underinvested communities nationwide.
