- **Population served:** Residents of 9 KY counties (8 “Distressed”), 2 TN counties (1 distressed 1 at risk) and 1 VA county (Distressed). 354,312 people.
- **Project duration:** The project was launched in February 2014 and will open to the public in July of 2021.
- **Expected outcomes:** $174MM annual regional econ impact, 3300 jobs, 201 direct jobs, $2.675MM in scholarships. 100K students reached each year with education programs.
- **Funding request:** $8MM over 18 months
Organization name: Frontier Housing, Inc.
Project name: RECLAIM Loan Fund

- **Requested funding/support:** Equity and Debt Investment
- **CRA-eligible activity addressed by the project:** Affordable Housing
- **Brief project description:** This investment opportunity is the RECovery Lending Assistance IMprovement (RECLAIM) Loan Fund, which is a mortgage loan program managed by Frontier Housing. This product is designed to serve people in long-term recovering from substance abuse disorder who have worked hard to repair their credit, and yet are not ‘bankable’ because of the credit legacy from their time in addiction.
- **Population served:** Low- and Moderate-Income homebuyers
- **Project duration:** 3 years to deploy $5 million in mortgage loans
- **Expected outcomes:** We expect 50-55 households committed to long-term recovery will become successful homeowners, will experience increased personal and financial stability, and will build equity.
- **Funding request:** $5 million: at least $2 million in equity and $3 million in long-term debt investments
Organization name: Kentucky River Area Development District

Project name: Home Delivered Meal Assistance for Seniors (HDMAS) Reducing Hunger and Isolation among Appalachia’s Seniors

- CRA-eligible activity addressed by the project: Community service

- Brief project description: The HDMAS will address the isolation of the aging, rural, poor in Southeastern Kentucky through the prevention of poor nutrition, malnutrition and food insecurity by providing meals to frail, low income senior citizens that are 60 and older in the eight county service region. The primary target will be providing home delivered meals to at least 40 of the 174 seniors age 60 and older who are currently on the wait list for home delivered meals.

- Population served: Low income seniors age 60 and older who reside in the KRADD service area (Breathitt, Knott, Lee, Leslie, Letcher, Owsley, Perry and Wolfe counties) who are frail, cannot cook or have no one living in the home that can cook, and are unable to get to the senior citizens center.

- Project duration: 1 year

- Expected outcomes:
  - Reduce the current KRADD Home Delivered wait list by 23%
  - Participants become more knowledgeable about nutrition and healthy meals thru the provision of monthly nutrition education
  - Participants will have improved food insecurity and malnutrition will be reduced (*Forty senior citizens will receive healthy nutritious meals*).

- Funding request: $65,722
  (40 individuals with 22 meals per month for 1 year = 10,560 meals @ $6.22 per meal)
Organization: LKLP Community Action Council, Inc.
Project: Driving Transformation

- **Requested funding/support:** Grant/Investment
- **CRA-eligible activity addressed by the project:** Community Services and Facilities, Workforce Development, Economic Development, Revitalization/Stabilization, Affordable Housing

- **Population served:** Low income population in Knott County, KY
- **Project duration:** In progress, completion August 2020
- **Expected outcomes:** Low income-residents will have ease of access to transportation and holistic support services, including workforce development, as well as a walking track to promote health and wellness. Knott County will gain needed parking for ongoing economic development and revitalization with an emphasis on the arts and a creative economy.
- **Funding request:** $300,000.00
Organization: Mountain Training Network at Southeast Kentucky Community and Technical College

Project: IMPACT - Incentive for Mountain Progress, Art, Communities and Training

- **Requested funding/support:** Investment/grant
- **CRA-eligible activity addressed by the project:** Economic development, revitalization, low-income housing
- **Brief project description:** Creation and support of incentive programs in 8 cities (6 counties) in southeastern Kentucky. Programs will serve as catalyst to encourage downtown development, low income housing, and small business development.
- **Population served:** Bell, Harlan, Knott, Leslie, Letcher and Perry Counties in Kentucky. Total population 128,124. Designated Promise Zone. All counties except Knott County included a federally designated opportunity zone.
- **Project duration:** 1 year
- **Expected outcomes:** Increased tourism, larger tax base, increased housing stock, larger occupancy of downtown commercial spaces, new business creation and support, improved livability, and creation of more public spaces.
- **Funding request:** $190,000
Organization: Owsley County Action Team

Project: Rising Owsley

- **Requested funding/support:** Grant
- **CRA-eligible activity addressed by the project:** Economic Development, Workforce Development
- **Brief project description:** Continue our partnership with Teleworks USA to provide job opportunities for the current skill set, advocate with educational institutions for necessary certification training and to inform our youth of high tech opportunities. Advertise our attractive rural location and our gig certified Internet to attract the “Lone Wolf” or persons who enjoy the rural life while working from home.
- **Population served:** 80% AMI or less.
- **Project duration:** Two years
- **Expected outcomes:** Needed certifications and course work identified and 100 high school seniors and recent graduates informed of technology opportunities
  100 additional persons employed in at-home jobs that pay at least $13.00 an hour and 10 persons employed in internet-based work that pay at least $40,000 annually
- **Funding request:** $200,000
Organization name: Owsley County Fiscal Court
Project name: Appalachian Wildlife Trails

- **Requested funding/support:** Grant
- **CRA-eligible activity addressed by the project:** Economic Development and Workforce Development
- **Brief project description:** The Fiscal Court is seeking grant funding to develop approximately 600 acres as an adventure location which would include trails for walking, biking, horseback riding and ATVs, rustic cabins, RV hookup, tent sites, bath house, and guided horse rides.
- **Population served:** 200 mile radius with estimated annual visitors of 19,600 and 150 to 200 overnight campers. Four county combined population of 40,808 with poverty rates of 36.8% in Owsley, 24.8% in Estill, 33.7% in Lee and 31.4% in Jackson.
- **Project duration:** Ongoing and one year for development of site.
- **Expected outcomes:** Create 12 new local jobs in the initial start up, directly serve 4 communities (Owsley, Jackson, Lee and Estill) and utilize approximately 600 acres of reclaimed mine land for economic development. The project is estimated to have a yearly potential profit of $261,649.
- **Funding request:** $2,095,500
SmileFaith Dental Clinic

- **Requested funding/support:** Grant or investment
- **CRA-eligible activity addressed by the project:** community service, economic development, and improving quality of services currently offered with expansion services.
- **Brief project description:** We need computers and other equipment to help better serve our patients and staff needs. With this equipment we would be able to expand our services from fillings, extractions, and cleanings to crowns, bridges, implants, partials, and dentures as well.
- **Population served:** We Serve the Kentucky River Region of Appalachia and Beyond (VA, TN, FL, and many more!)
- **Project duration:** approximately 6 months
- **Expected outcomes:** In the near future we foresee the clinic providing serves 5 days a week
- **Funding request:** Requesting $83,543
