June 18, 2015

WORLD CLASS WORKFORCE

Kentucky's superior workforce produces cutting-edge products that have revolutionized the world

The Kentucky Skills Network is Kentucky's workforce system and provides employers with world-class customer service and quality resources.

KENTUCKY by the Numbers

Unemployment Rate

5.0% - KY
5.5% - US

The Kentucky Skills
Network placed #1 in
Site Selection
Magazine's state
workforce
development rankings
for the South Central
United States.

*In 2014, the
Kentucky Skills
Network trained
over 84,000 Kentucky
employees from over
4,100 companies.*

- 1 – Recruitment & Job Placement
- 2 – Customized Training
- 3 – Training Incentives
- 4 – Skills Pipeline Development

KENTUCKY FEDERATION FOR ADVANCED
MANUFACTURING EDUCATION

Advanced Manufacturing Technician (AMT)

- Primary program used by KY FAME to create a skilled workforce in skilled maintenance.
- Integrated, career pathway associate degree program provided by KCTCS colleges.
- Combines workplace experience with a simulated classroom environment.
- KY FAME members sponsors students, who then participate in AMT
 - Attend classes 2 full days per week
 - Work at sponsoring company 3 full days per week

Sample Work Week

		1 - Week				
		M	Tu	W	TH	F
8-10 Hrs		Work	School	School	Work	Work
2-4 Hrs		Homework & Study				

The National Career Pathway Network recognized the AMT program as the **Best Career Pathway Program** in the U.S. in 2013.

KENTUCKY FEDERATION FOR ADVANCED
MANUFACTURING EDUCATION

KY FAME: German Dual Certification

In-State Evaluation

Fall 2014: The Association of German Chambers of Commerce and Industry's (DIHK) conducted an in-state evaluation of AMT.

Winter 2015: AMT curriculum evaluated in Germany

Results

AMT degree will be recognized in United States and Germany.
