Lana Zachlin
Vice President, Information Technology

Lana Zachlin is Vice President of Information Technology, where she leads the Information Security, Data Privacy, and IT Risk Management functions.

Zachlin began her career with the Cleveland Fed in 1996 as a developer in ITS Application Development and moved through positions of increasing responsibility in Information Technology.

She holds an MS in management science with a concentration in information decision systems from Case Western Reserve University and a BS in math and computer science from John Carroll University. She is a graduate of the Women’s Leadership Institute at the Cleveland YWCA and is a member of Akron STEM High School’s board of directors.
