PROPOSAL 1
ELECTION OF DIRECTORS

Election of Directors

The Board of Directors, acting through the Corporate Governance/Nominating Committee, is responsible for identifying and evaluating candidates for Board membership. The Board currently consists of eleven members and the Company’s Amended and Restated Articles of Incorporation provides that the Board of Directors be divided as equally as possible into three classes designated as Class I, Class II and Class III. Generally, the directors in each class are elected to serve staggered three year terms so that the term of office of one class of directors expires at each annual meeting. Currently, the Board of Directors has four directors in Class I with terms expiring in 2013, four directors in Class II with terms expiring in 2014 and three directors in Class III with terms expiring in 2015.

On July 10, 2013, the Board of Directors of Consumers Bancorp, Inc. approved the appointment of Frank L. Paden as a Class I director effective July 15, 2013. The term of office of current Class I directors James V. Hanna, John E. Tonti, and James R. Kiko, Sr. will expire at the annual meeting on October 29, 2013 and the current Class I directors constitute the nominees to be elected to serve until the 2016 annual meeting and until their successors are elected. Additional information concerning the nominees for director, the directors and executive officers of Consumers Bancorp is provided in the following pages.

The common shares represented by the accompanying proxy will be voted for the election of the nominees to serve as directors, unless contrary instructions are indicated on the proxy card. The nominees for director receiving the greatest number of “for” votes will be elected as directors. If the election of directors is by cumulative voting, the persons appointed by the accompanying proxy intend to cumulate the votes represented by the proxies they receive and distribute such votes in accordance with their best judgment.

If one or more of the nominees should at the time of the Annual Meeting be unavailable or unable to serve as a director, the common shares represented by the proxies will be voted to elect the remaining nominees and any substitute nominee or nominees designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees will be unavailable or unable to serve.

The Board of Directors recommends that the shareholders vote “FOR” the election of the nominees for Class I directors.

Currently, each member of the Board of Directors of Consumers Bancorp also serves as a member of the Board of Directors of Consumers National Bank. Consumers Bancorp and Consumers National Bank held 15 Board meetings during the 2013 fiscal year. All directors attended at least 75% of the total number of Consumers Bancorp Board meetings and meetings held by all committees of the Board on which they served during the 2013 fiscal year. The Company has determined that all directors, except Mr. Hanna, Ms. McClellan and Mr. Lober are “independent” directors under the listing standards of the NASDAQ Stock Market Marketplace Rules and the additional independence requirements of the Company.

Although the Company does not have a formal policy with respect to Board member attendance at the annual meeting of shareholders, each member is encouraged to attend. All Board members attended the 2012 Annual Meeting of Shareholders.

Under the terms of the Corporate Governance/Nominating Committee Charter the committee is responsible for developing and implementing a process and guidelines for the selection of individuals for nomination to the Board of Directors and considering incumbent directors for nomination for re-election. The Corporate Governance/Nominating Committee will consider candidates for director who are recommended by shareholders in accordance with the Company’s Code of Regulations and the Board Addition/Replacement Procedures found in the Board Supervision Policy. Candidates must be individuals with a good reputation who demonstrate civic character, business success and community involvement. They must be willing to commit their time to Board and committee meetings, keep apprised of banking issues and complete continuing education courses. The Corporate Governance/Nominating committee is responsible for the selection of the final slate of nominees for election to the Board of Directors. Those nominees recommended by the Committee are then submitted to the Board of Directors for approval. The Corporate Governance/Nominating Committee Charter is available on the Company’s website at www.consumersbank.com.

Shareholders desiring to nominate a candidate for election as a director at the 2014 Annual Meeting of Shareholders other than for inclusion in Consumers Bancorp’s proxy statement and form of proxy must deliver written notice to the Secretary of Consumers Bancorp, at its executive offices, 614 East Lincoln Way, Minerva, Ohio 44657, not later than August 8, 2014 or such nomination will be untimely. Consumers Bancorp reserves the right to exercise discretionary voting authority on the nomination if a shareholder has failed to submit the nomination by August 8, 2014 or if the candidate does not meet criteria set forth in the Company’s Amended and Restated Regulations.

Board Leadership Structure; Role in Risk Oversight

In accordance with our regulations, the Board elects our Chairman and Chief Executive Officer, or CEO, and each of these positions may be held by the same person or may be held by different people. Currently the offices of Chairman and CEO are separated. The Board believes that the separation of offices of the Chairman and CEO is appropriate at this time as it allows our CEO to focus primarily on management and operating responsibilities.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including economic risks, financial risks, legal and regulatory risks, and others, such as the impact of competition. Management is responsible for the day-to-day management of the risks that we face, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board is responsible for satisfying itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

Director Compensation

The Compensation Committee annually reviews and recommends to the Board of Directors the proposed director fees after consideration of information from peer surveys, past compensation practices and the Company’s performance. The Board is responsible for approving the fees for attending Board meetings and committee meetings. The Board believes the fees are competitive with the fees paid by other peer banks of a comparable size and will ensure the Company attracts and retains qualified Board members.

Fees Paid in Cash

Non-employee directors receive an annual retainer and are compensated for each Consumers National Bank Board of Directors meeting and each committee meeting they attend. Effective January 1, 2013, the annual retainer was increased to $3,000 per year and each director who served during the 2013 fiscal year received an annual retainer of $2,500, which included a proration of the increase. Compensation for attendance at a Board of Directors meeting was $800 per meeting
through December 2012 and was increased to $900 per meeting beginning in January 2013. There were no other increases to committee fees during the 2013 fiscal year and the following table details the fees paid to each non-employee director for attendance at committee meetings:

**Non-Equity Incentive Plan Compensation**

An incentive pool based on overall Company profitability was available to non-employee directors. For the 2013 fiscal year, the Compensation Committee selected net income of $3.0 million and an efficiency ratio of 70.0% as the company performance targets. Reported net income results for the 2013 fiscal year were below the targeted level and the efficiency ratio target was not obtained therefore, no incentive was earned by non-employee directors for the 2013 fiscal year.

**Equity Compensation**

Under the 2010 Omnibus Incentive Plan, on September 12, 2012 Restricted Stock awards were made to all directors. Each non-employee director was granted 54 shares of Restricted Stock that will vest on the anniversary date of grant based on a four year graduated vesting schedule if certain specified net income performance targets as established by the Compensation Committee are achieved. For the 2012 fiscal year, the net income performance targets were achieved and on September 14, 2012 15% of the Restricted Shares vested. The directors forfeited the Restricted Stock awards scheduled to vest in September 2013 since the net income performance target for the 2013 fiscal year was not achieved.

Ms. McClellan and Mr. Lober are employees of Consumers National Bank and received no additional compensation for their service as a director.

The following table summarizes the compensation earned by or awarded to each non-employee director who served on the Board during the 2013 fiscal year. The compensation received by Mr. Lober is shown in the “Summary Compensation Table” which is included under the “Executive Officers” section in the following pages.

For the 2014 fiscal year, the director board meeting and committee meeting fees are expected to remain the same as the previous fiscal year. For the 2014 fiscal year, a total incentive pool for all non-employee directors of $16,111 has been established that will be paid if certain corporate performance targets are achieved. The total incentive pool increases to a maximum of $18,889 if the Company achieves 105.0% or more of the net income target and reduces to $13,333 if the Company achieves at least 95.0% of the net income target. Under the 2010 Omnibus Incentive Plan, Restricted Stock awards will be made to all directors, executive officers and vice presidents during the 2014 fiscal year. The total value of Restricted Stock granted to all non-employee directors will approximate 5% of the total compensation earned by the directors, with each non-employee director receiving an equal amount of the total. PROPOSAL TWO – ADVISORY VOTE ON THE RATIFICATION OF EXECUTIVE COMPENSATION

As required by Section 14A of the Securities Exchange Act, we are seeking advisory shareholder approval of the compensation of the Named Executive Officers as disclosed in this Proxy Statement. This proposal, commonly known as a “Say-on-Pay” proposal, gives you as a shareholder the opportunity to endorse or not endorse our executive pay program through the following resolution:

“RESOLVED, that the compensation of the Company’s Named Executive Officers as disclosed in this proxy statement pursuant to Item 402 of SEC Regulation S-K, including in the Compensation Discussion and Analysis, the Summary Compensation Table, and the related executive compensation tables, notes and narratives, is hereby approved on an advisory, non-binding basis.”

Because your vote is non-binding and advisory, the outcome of the vote will not be binding upon the Board of Directors. However, the Compensation Committee and the Board of Directors will seriously consider the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors believes the Company’s compensation structure is effective in aligning the compensation of the executive officers with the Company’s short-term and long-term goals, and that such compensation and incentives are designed to attract, retain and motivate the executive officers who are directly responsible for the Company’s continued success.

Shareholders are encouraged to carefully review the information provided in this proxy statement regarding the compensation of the Company’s named executive officers in the section captioned “Compensation Discussion and Analysis” of this proxy statement.

The non-binding advisory resolution regarding the compensation of the named executive officers described in this proposal shall be approved if the votes cast in favor of the resolution exceed the votes cast against the resolution. Abstentions will not be counted as either votes cast for or against the resolution. If no voting specification is made on a properly returned or voted proxy card, the proxies will vote FOR the compensation of the named executive officers.

The Board of Directors recommends that the shareholders vote “FOR” the adoption of the advisory resolution set forth above.

PROPOSAL THREE – ADVISORY VOTE ON FREQUENCY OF VOTES ON EXECUTIVE COMPENSATION

Also, as required by Section 14A of the Securities Exchange Act a separate proposal is being included to determine whether the advisory shareholder vote to approve the compensation of the named executive officers will occur every one, two or three years.

The Board of Directors is recommending a shareholder vote of every three years since it believes this is the most appropriate timeframe for the Company and its shareholders to evaluate the Company's overall compensation philosophy, design and implementation. A three-year period is more closely aligned with the longer-term view that the Compensation Committee takes with respect to the more significant components of our named executive officers’ compensation, and would allow shareholders the opportunity to evaluate the effectiveness of these programs over the time frames that they are intended to generate performance.

When casting your vote on this resolution, you should mark your proxy for every year, every two years, or every three years based on your preference as to the frequency with which an advisory vote on executive compensation should be held. You may also choose to abstain from voting on this proposal. The frequency alternative receiving the highest number of votes will be deemed to be the selection of the shareholders.

The Board of Directors recommends a vote for “THREE YEARS”
EXECUTIVE COMPENSATION
Compensation Discussion and Analysis

Introduction and Overview

This Compensation Discussion and Analysis provides information regarding the compensation awarded to, earned by, or paid to the named executive officers serving as of June 30, 2013 whose compensation is detailed in this proxy statement. These named executive officers are the president and chief executive officer, chief financial officer and senior loan officer. The Board of Directors has delegated to the Compensation Committee responsibility for the oversight and administration of compensation for the Company. The committee reviews and recommends company benefit and incentive plans, as well as, reviewing the individual performance of the chief executive officer and executive management.

Compensation Philosophy and Objectives

The objective of the Company’s compensation program is to fairly compensate the executive officers in light of their individual performances and their contributions to the performance of the Company, thereby aligning executives’ incentives with shareholder value creation. The compensation philosophy is designed to reward effort and achievement by the officers and provide them with compensation targeted at market competitive levels. The Company’s compensation program includes the following core components: base salary, cash incentive compensation, equity-based awards, and long-term compensation. The Compensation Committee manages all components on an integrated basis to achieve the following objectives: to attract and retain highly qualified management, to provide shorter-term incentive compensation that varies directly with the Company’s financial performance and to focus management on both annual and long-term goals. The Company believes that, by setting and adjusting these elements, it has the flexibility to offer appropriate incentives to its executive officers.

The Compensation Committee has adopted the philosophy to target executive compensation at the midpoint of compensation paid to similarly situated executive officers at comparable asset sized Ohio peer banks. Comparison compensation information offered by peer banks was gathered from regional and national compensation survey information prepared by the Ohio Bankers League and Crowe Horwath LLP. The Compensation Committee reviewed compensation survey data from other Ohio financial institutions in the $250 to $500 million asset size range in order to determine the midpoint of peer compensation. Individual opportunities may be above or below this general target level at times for a variety of reasons, including individual and corporate performance, recruiting and retention reasons. The Compensation Committee did not engage an outside executive compensation consultant during the 2013 fiscal year.

Components of Compensation

Base Salary

Base salary is a major factor in attracting and retaining key personnel and therefore is the primary component of our executive officer’s compensation. In setting an officer’s base salary, the Company considers parameters set by its size and complexity and the salaries offered by peers. The Compensation Committee has adopted the philosophy to target executive compensation to the midpoint of other Ohio financial institutions in the $250 to $500 million asset size range. The Company’s performance as measured by its results compared to previous years is also considered in determining the overall adjustments to executive officers salaries. Specific salaries are adjusted to reflect the contributions of the executive officer to the Company’s operations and the accomplishment of its long-term goals.

Based on a review of the company’s strategic direction, individual career path objectives and succession planning in conjunction with the broad databases and other publicly available information, the Company believes that its executive compensation practices are in line with its compensation philosophy and objectives described above.

Incentive Compensation

The Company has an annual incentive compensation program in which all participants are eligible to earn incentive compensation based on corporate financial performance, departmental, and individual goals as determined by each participant’s manager. All employees, except seasonal and temporary employees, are eligible to participate in the annual incentive plan. An employee must be employed when the incentive is paid in order to receive their incentive compensation, even if all of the targets had been met. Positions are classified into various levels according to overall responsibilities within the organization and the impact each position has on the organization’s overall financial performance.

For the 2013 fiscal year, the Compensation Committee selected net income and the efficiency ratio as the corporate performance targets for the plan. The targeted net income for the 2013 fiscal year was $3.0 million and an efficiency ratio of 70.0%. Reported net income for the 2013 fiscal year was below the targeted level of financial performance and the efficiency ratio was above 70.0%. Based on these results, the company-wide incentive pool available was $62,500 if an employee achieved their individual or departmental goals.
The table below shows how each plan component for 2013 is weighted when evaluating each of the named executive officers:

**Long-term Compensation**

Long-term compensation includes a qualified retirement plan in the form of a 401(k) Plan, a non-qualified Salary Continuation Program and the 2010 Omnibus Incentive Plan. The Company provides safe harbor contributions under the 401(k) Plan, matching up to 100% of the first 4.0% contributed by the employee. The amount contributed on behalf of the executive officers is determined in accordance with the provisions of the plan applicable to all employees. The Salary Continuation Plan is designed to retain executive and senior management personnel. Entrance to the Salary Continuation Plan is limited and is subject to meeting performance criteria, established by the Compensation Committee and approved by the Board of Directors. Under the 2010 Omnibus Incentive Plan, Restricted Stock awards have been made to all directors, executive officers and vice presidents during the 2012 and 2013 fiscal years and are expected to be made for the 2014 fiscal year. The value of Restricted Stock granted to each participant will approximate 5% of each participant’s base salary. The Restricted Stock will vest on the anniversary date of the grant based on a four year graduated vesting schedule if certain specified net income performance targets as established by the Compensation Committee are achieved. These long-term incentive compensation plans are designed to promote a vested interest in the long-term strategic performance goals of the Company and discourage turnover among its executive officers and other employees.

The following table sets forth the cash compensation and certain other compensation paid or earned by the Company’s principal executive officer, principal financial officer, and one other of the most highly compensated executive officer serving at the end of the 2013 fiscal year. The individuals listed in this table are sometimes referred to in this proxy statement as the “named executive officers.”

(1) Restricted Stock awards vest on the anniversary date of grant based on a four year graduated vesting schedule if certain specified net income performance targets as established by the Compensation Committee are achieved. The restricted stock awards scheduled to vest in September 2013 were forfeited since the performance target for the 2013 fiscal year was not achieved.

(2) The market value of the awards of Restricted Stock that have not yet vested was determined by multiplying the closing price of a share of Consumers common stock on June 28, 2013 ($16.00) by the number of shares.

DEFINED CONTRIBUTION PLAN

Under the Consumers National Bank 401(k) Savings and Retirement Plan & Trust (401(k) Plan) as in effect during the fiscal year ended June 30, 2013, the Consumers National Bank’s Board of Directors has the discretion and authority to determine the amount to be contributed to the 401(k) Plan. The 401(k) Plan is administered by Consumers National Bank. Each participant in the 401(k) Plan has credited to their account a maximum of 4.0% of their annual salary, provided they have voluntarily contributed the same amount. The 401(k) Plan states that each participant shall be fully vested in the 401(k) Plan immediately upon contribution. Benefits under the 401(k) Plan cannot be estimated for the participants because the benefits are based upon future earnings of Consumers National Bank and future compensation of the participants. An eligible participant is one who has completed six months of service and has attained the age of 21. At the time of retirement, death, disability or other termination of employment, a participant is eligible to receive a distribution of all vested amounts credited to their account in either a single lump sum payment or a series of substantially equal installment payments over a period not longer than the joint life expectancy of the participant and beneficiary. The trustees of the 401(k) Plan are Ralph J. Lober and Laurie L. McClellan.

SALARY CONTINUATION PROGRAM

In September 1995, the Board of Directors of Consumers National Bank adopted a salary continuation program (Plan) to encourage the long-term retention of Consumers National Bank executives and avoid the cost of executive turnover. Pursuant to the Plan, salary continuation agreements were entered into between Consumers National Bank and certain executives. The participants in the Plan are determined by the Board of Directors. In 2008, all of the agreements were amended to comply with Internal Revenue Code Section 409A. On February 11, 2011, Mr. Lober, President and Chief Executive Officer, entered into an amended and restated salary continuation agreement that replaces a separate change of control agreement entered into on May 7, 2007 and a prior salary continuation agreement entered into on August 29, 2008. The amended and restated agreement incorporates covenants against competition, solicitation or disclosure of confidential information that were previously contained in the change of control agreement. The agreement entered into with Mr. Lober in 2011 and the amended agreements entered into in 2008 are collectively referred to as the “Amended Agreements.”

The Amended Agreements provide such executives (and, in the event of the executive’s death, surviving beneficiary) with 180 months of salary continuation payments equal to a certain percentage of an executive’s average compensation, as defined within each agreement, using three full calendar years prior to Normal Retirement Age. For purposes of these Amended Agreements, “Normal Retirement Age” means the executive’s 65th birthday. Vesting under the Amended Agreements commences at age 50 and is prorated until age 65. If an executive dies during active service, the executive’s beneficiary is entitled to the Normal Retirement Benefit. The executive can become fully vested in the Accrual Balance
upon termination of employment following a disability. Following a change in control of Consumers National Bank, Mr. Lober can become fully vested and eligible to receive a payment equal to the greater of (1) two times Mr. Lober’s base salary in effect immediately preceding termination of employment or (2) the amount accrued by the Company as of the month preceding termination of employment. All the remaining executives participating in the Plan can become fully vested in the Accrual Balance upon termination of employment following a change in control of Consumers National Bank. For purposes of these Amended Agreements, “Accrual Balance” means the liability that should be accrued by the Company for the Company’s obligation to the executive under the Amended Agreements. For purposes of calculating the Accrual Balance, the discount rate in effect at June 30, 2013 was 5.0%.

NONCOMPETITION AGREEMENT

A Noncompetition Agreement was entered into with Ms. Wood in order to restrict her availability to other employers or entities that compete with the Company in exchange for a payment of an amount equal to the aggregate of one times her annual rate of base salary upon termination of employment without cause by the Company; upon termination of employment within twelve consecutive months after a change in control is consummated; or a termination of employment for Good Reason (as defined in the agreement) by Ms. Wood.

If within 12 months following a change in control, a termination of employment occurs for any reason other than death, Disability (as defined in the agreement), or Cause (as defined in the agreement), Ms. Wood may receive a lump sum payment equal to one times her annual rate of base salary.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The Company is not party to any change in control agreements with its current executive officers. Under the Salary Continuation Program, Mr. Lober would have received a payment of $408,975 and Mr. Suarez would receive a payment of $427,895 as of June 30, 2013 if a change of control and a termination of their employment had occurred. In connection with the Noncompetition Agreement, Ms. Wood would have received a payment of $128,328 as of June 30, 2013 if there was a change in control and a termination of her employment had occurred or upon termination of employment without cause by the Company. No participant will receive a benefit payment under the Salary Continuation Program or Noncompetition Agreement if they are terminated for cause.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company’s directors, certain of its officers and persons who own more than 10% of its registered equities to file reports with the Securities and Exchange Commission indicating their holdings of, and transactions in, the Company’s equity securities. Based solely on a review of the copies of such reports it received, and written representations from reporting persons, the Company believes that during the fiscal year ended June 30, 2013, its reporting persons complied with all Section 16(a) filing requirements.

CERTAIN TRANSACTIONS AND RELATIONSHIPS AND LEGAL PROCEEDINGS

Directors and executive officers of Consumers Bancorp and Consumers National Bank and their associates were customers of, or had transactions with, Consumers Bancorp or Consumers National Bank in the ordinary course of business during the fiscal year ended June 30, 2013. Transactions with these persons are expected to continue to take place in the future. In the ordinary course of business, loans are made to officers and directors on substantially the same terms as those prevailing at the same time for comparable transactions with unrelated third parties. Such loans do not, and will not, involve more than the normal risk of collectability or present other unfavorable features.

Mr. Goris, a director, is a Board Member of A.A. Hammersmith Insurance Inc. and, in the ordinary course of business, the Company has retained the services of A.A. Hammersmith Insurance Inc. for insurance needs and may continue to retain their services in the future. The non-interested directors have reviewed the transactions and have determined that Mr. Goris’ interest in the transactions are not material. The amount paid to A.A. Hammersmith Insurance Inc. was less than $120,000 in fiscal year 2013.
Mr. Kiko, a director, is a real estate auctioneer and, in the ordinary course of business, the Company has retained the services of Kiko Auctioneers and Kiko Realty to liquidate property and may continue to retain their services in the future. The value of the services received from Kiko Auctioneers and Kiko Realty was less than $120,000 in fiscal year 2013.

Consumers National Bank is party to an operating lease agreement for the Malvern Branch location with Furey Holdings, LLC. Mr. Furey is the managing member of Furey Holdings, LLC. The lease commenced on December 23, 2005, with an original term of ten years. Lease payments for the 2013 fiscal year ended June 30, 2013 totaled $36,007 and the aggregate amount of lease payments for the 2014 fiscal year to the end of the term of the lease are estimated to be $90,018. This leasing arrangement and the terms of the lease were unanimously approved by directors without an interest in the transaction.

The SEC rules require disclosure of any family relationship among directors and executive officers. Mr. Kiko, director, is first cousin to Janice E. Kishman, spouse of director, Mr. Kishman.

Each officer and director is expected to bring any relationship or transaction with the Company in which he or she has a direct or indirect interest to the attention of the Board of Directors. The non-interested directors review the transaction and consider, among other things, whether the transaction impacts the independence of any independent Board member, whether the related party’s interest in the transaction is material and whether the terms of the transaction are comparable to those that could be negotiated with an unrelated third party.
